

REMARKS

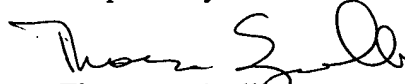

It is respectfully requested that this Preliminary Amendment be entered in the above-identified application prior to examination.

By means of the present Preliminary Amendment, the specification has been amended to correct errors therein. Those of ordinary skill in the art, from a reading of the specification, including the Figures would understand such errors and their corrections. Thus, no new matter has been entered into the disclosure by way of the present amendment to the specification.

By means of the present Preliminary Amendment, Figures 23, 25, 35, and 37 have been amended to correct errors therein. Figure 23 has been amended to remove the ! symbol before "0.75" and to replace the line "X AXIS 1MM, YAxis 1MM" with --(X,Y)=(1mm, 1mm)--. Figures 25, 35, and 37 have been amended to change the text designation of element 126 from "AMPLIFIER FILTER" to --CIRCUIT BOARD--. Those of ordinary skill in the art, from a reading of the specification, including the Figures would understand such errors and their corrections. Thus, no new matter has been entered into the disclosure by way of the present amendment to the Drawings.

In view of the above, early consideration is respectfully requested.

Respectfully submitted,

Thomas Spinelli
